

CafeCoin Terms of use

By using CafeCoin you hereby agree:

1. Information provided hereby does not carry any investment advice value. You are solely responsible for your own decisions and investments you make.
2. CafeCoin cannot and will not be responsible for your decisions, including but not limited to your profits made or the loss occurred.
3. CafeCoin cannot be held responsible for any losses.
4. CafeCoin will not cover any losses you might have.
5. CafeCoin will not cover any losses at all.
6. From time to time CafeCoin will post sponsored stories and press releases paid by any party.
7. CafeCoin can advertise for any service, product and cryptocurrency on the site.
8. You agree to do your own due diligence on services or products offered in our articles, ads, and sponsored stories if you chose to use them.

Images and Content

AtoZMarkets.com is a community managed by freelancers, bloggers, and online whistleblowers.

1. Some graphic content, images and text are gathered from the world wide web. CafeCoin will try to make sure that all the content is legal to re-distribute on our online platform. However, may you find any content that should not be online and available please send us an email to info (at) CafeCoin and we will make sure to take all the necessary action promptly.
2. Articles written on CCN are purely the author's own meanings, not CCN's. CCN cannot be held responsible for anything an author writes on CryptoCoinsNews. Disputes about articles should be solved with Jonas Borchgrevink:
jonas.borchgrevink (at) cryptocoinnews.com

User Activity

While CafeCoin is a platform run by enthusiasts and financial markets whistleblowers and open for anyone who wants to share their opinion, we will have zero spam tolerance by our users.

1. Each user must have 14 days of CafeCoin experience before reviewing or creating his own content.
2. Each user can afterwards submit a guest post

3. Guest posts can not be used for linkbuilding purposes, if you want to advertise please contact info (at) AtoZMarkets.com
4. Guest posts must be about financial markets, users submitting casino or gambling related or any other spam guest posts will be banned from guest posting
5. Users can be upgraded to experts after good trackrecords
6. ICOs can add their team and advisors to their profile, each advisor or team member will need to confirm the affiliation.
7. ICO advisors and team members can comment in their related ICO profiles however, will need to give disclaimer in advance, failing to provide disclaimer will end up cancellation of the expert status
8. Competitors can not provide biased comments, doing so will get the commenting party banned from commenting
9. Comments on articles should contain information related to the post content. Other general comments will be promptly removed.
10. Spamming, bad language, non-informative comments/posts will be removed without notice.
11. Multiple breaches may get your user banned and deleted from CafeCoin

Advertisement on CafeCoin
